Privacy Policy

Preamble

With the following Privacy Policy, we would like to inform you about the types of your personal data (hereinafter also referred to briefly as "data") that we process, for what purposes, and to what extent. The Privacy Policy applies to all processing of personal data carried out by us, both within the scope of providing our services and in particular on our websites, in mobile applications, and within external online presences, such as our social media profiles (hereinafter collectively referred to as the "Online Services").

The terms used are not gender-specific.
